- Work alongside and collaborate with other professionals/therapists
- Offer a strong mentorship with ongoing supervision and support
- Offer advanced training in sensory integration
- Research and program development opportunities

QUALIFICATIONS:

- ASHA and CA state licensure
- Pediatric experience in working with a variety of disorders
- A playful therapy approach with a passion to work with children
- Good documentation skills
- Strong communication and organizational skills
- Self-initiative and desire for ongoing learning
- A family-centered approach to intervention and strong collaborative skills
- Reliable transportation

Pediatric Therapy Network is fully committed to Equal Employment Opportunity and to attracting, retaining, developing and promoting the most qualified employees without regard to their race, gender identity, color, religion, sexual orientation, national origin, age, physical or mental disability, citizenship status, veteran status, or any other characteristic prohibited by state or local law.
