

Celebrate...

Pediatric Therapy Network believes every child deserves a life without limitations.

Dear Friend,

I just wanted to take a moment to share with you a small dose of inspiration I experienced when I read a note recently from one of our Pediatric Therapy Network families.

"Today is a good time as any to express gratitude and thankfulness for all that PTN has given to Grace. You have given Grace "her voice" and you have taught her to see the world through different lenses. You may be her light but you are our hope."
- Grace's Mom and Dad

Hope. It is defined as "the feeling that what is wanted can be had." It is the reality that PTN strives for each family we serve so that they too may envision their child with a life filled with possibilities.

The staff and volunteers of Pediatric Therapy Network diligently dedicate hundreds of hours each year to ensure over 1,100 children with special needs are receiving the highest quality therapeutic services available. Our organization could not offer the much-needed programs such as Buddy Club, Leaps & Bounds and Camp Escapades if it were not for the support of our donors.

Can you join me today in making a donation that will sustain the work that brings hope to the lives of so many children?

When you make a donation to PTN, you can rest assured that you are contributing to an organization that dedicates 95% of its expenses to services that directly benefit our children not administrative costs.

As a PTN supporter, volunteer or parent, you know the value of the work we do. Thank you for supporting our vision by giving a gift to our annual holiday campaign.

Very truly yours,

Teri Nelson Carpenter
President, Board of Directors

Your generous support will help these children reach their full potential!
