CAMP ESCAPADES is an innovative summer day camp for children with developmental concerns and their siblings.

OUR HIGHLY TRAINED MULTIDISCIPLINARY CAMP TEAM includes three occupational therapists with numerous years of camp experience who oversee campers, programming, staff and volunteers. Groups are staffed with occupational, physical or speech therapists, paraprofessional educators and one-on-one teen volunteers who are the child's "buddy" throughout the week.

CAMP ACTIVITIES take place in a safe encouraging environment and are geared and adapted so that every camper can have fun regardless of their age or ability.
